

Step by step building a dashboard using HTML and CSS

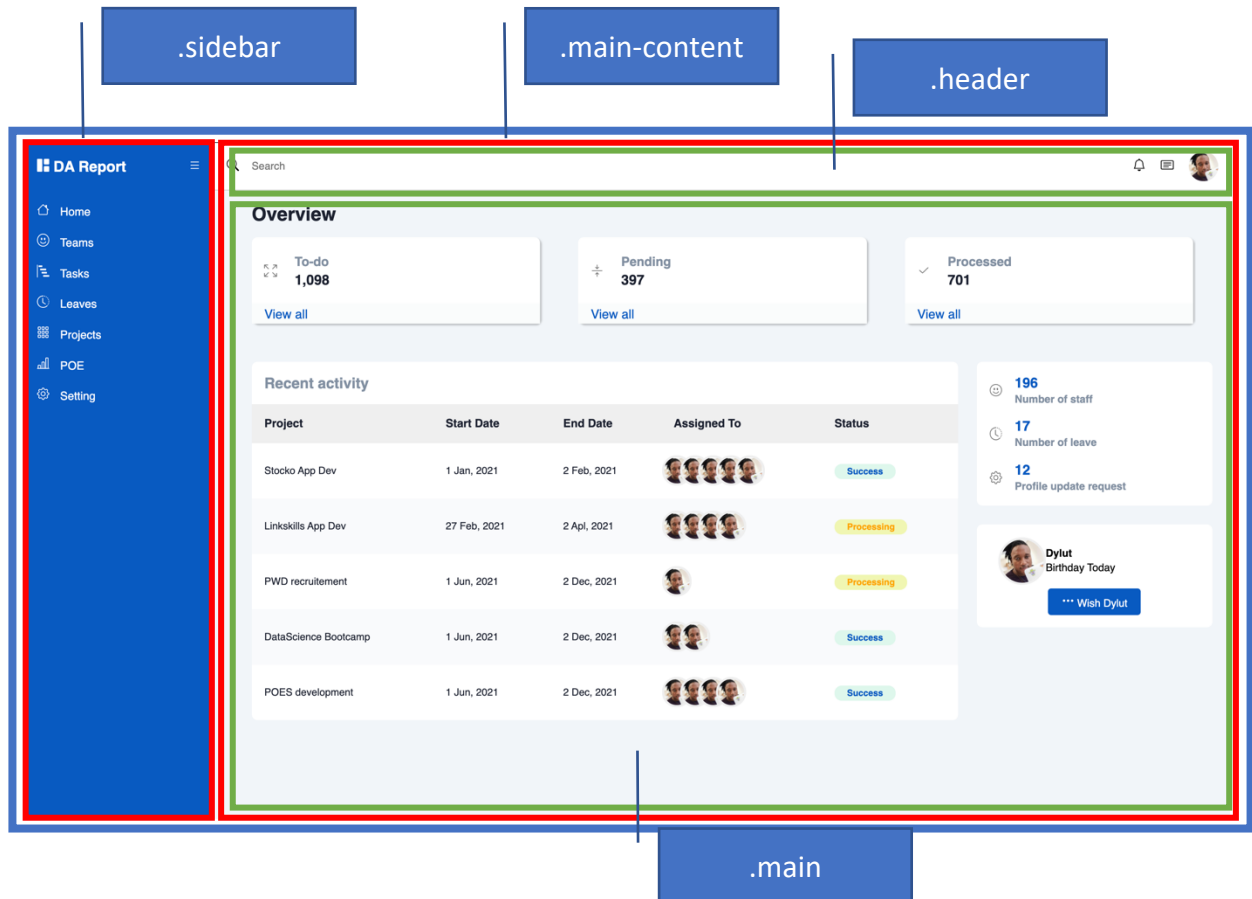

We are going to use few external resources such as:

- Bootstrap icons <https://icons.getbootstrap.com/icons/list/>
- Google Fonts <https://fonts.google.com/specimen/Roboto>

Step 1

We are going to analyze the Dashboard image and come up with a plan on how to achieve it

Keep this structure in mind

We are going to use all the best practices for HTML and CSS
